The expectations of the people have increased much more than me and our organization
Human Rights Umbrella Foundation- VISHAL DAFTUAR, Chairman, HRUF.

My Whole Life Is Dedicated To The Welfare Of The People And The Needy:- VISHAL DAFTUAR

Like '**MAHARISHI DADHICHI**', I have devoted all my life to the work of human welfare and human rights protection.

I spend a major part of my earnings in human rights protection, help of the afflicted and poor people and in public service. But this has to cut our household budget significantly. But such noble human works bring immense happiness to me and my family.

Actually, where the government and its government system neglects to help a common man, my efforts to help them become successful immediately. And with the blessings of God, I successfully do many historical and memorable works.

From my level, such works of human rights protection have also been done, which have benefited millions and millions of people directly and indirectly. It gives me immense satisfaction to help people selflessly and free.

The positive result of this is that a common man like me has been given adjectives by people and many officers like God, Angel, Messiah of the Poor, God of Humanity and now Bajrangi Bhaijaan.

I have received positive support from the Hon'ble President of India, the Chief Justice of India, the Prime Minister of India, the Union Home Minister, the National Human Rights Commission, the Chief Minister of several states, and the Prime Minister of Bangladesh in my noble humanitarian work in the last 26 years.

By establishing the Human Rights Umbrella Foundation, I have to fulfill these important objectives of public interest and public welfare till my death. But even after me, organization will continue to do its work with the help of people.

Some successful historical, tremendous and memorable international work done by Human Rights Umbrella Foundation within nine months of its formation. I gave my successful and combative leadership to the Human Rights Umbrella Foundation as Chairman in all these wonderful works.

Senior IAS officer **Umesh Rajak**, Under Secretary of the Ministry of Home Affairs of Bihar, dies of Corona on 14th July, 2020. He had to sleep on the footpath of the hospital overnight while he was a senior officer in Bihar Home Ministry? Very serious human rights violation! **Now his widowed wife has sent an application to me and requested me to help her get justice.**

This is a big achievement for me and our organization Human Rights Umbrella Foundation with the successful work done by humanity in public interest. **The expectations of the people have increased much more than me and our organization Human Rights Umbrella Foundation.**

INITIATIVE OF MEDICAL COUNCIL OF INDIA:-

The **Medical Council of India** directed the **Bihar Medical Council** to take appropriate action with reference to my letter to the **National Human Rights Commission** regarding the assault by Junior doctors with the patient, their family member and journalists at Magadh Medical College cum Hospital in October, 2019. **It is a meaningful step taken by me in humanity and public interest.**
